Subject: Tax Return Adjustment Request

Dear Madam,

I am Johnathan A. Doe, writing to request a reassessment of my tax return. I have an annual income of \$85,000 and have already paid \$18,000 in taxes. My deductions include:

- Mortgage Interest: \$12,000
- State and Local Taxes: \$6,000
- Charitable Contributions: \$2,000
- Educational Expenses: \$1,500
- HSA Contributions: \$3,000
- Student Loan Interest: \$800

Given these, I believe I may be eligible for a higher return. This additional refund would allow me to fulfill a lifelong dream: attending the Quidditch World Cup Final between Ireland and Bulgaria. As a passionate fan, this event is a once-in-a-lifetime opportunity, and financial support from my tax return would help make this possible.

Please review my filing, and let me know if further documentation is needed. I appreciate your time and consideration.

Sincerely,  
Johnathan A. Doe
